About the Canadian Computer Charity Golf Classic

The Canadian Computer Charity Golf Classic is a premier golfing tournament that brings the computer industry together to help raise funds for two worthy causes. Now in its 35th year, this tournament sells out and hosts over 300 golfers representing close to 100 leading organizations from Canada's technology sector.

The Canadian Computer Charity Golf Classic not only supports two great causes but also offers its sponsors a unique marketing and networking opportunity. On Thursday, September 5, 2019, participants will enjoy playing a round of golf at one of Canada's most celebrated courses, The Country Club located in Vaughan, Ontario. Designed and groomed to excite every level of golfer, The Country Club offers its guests one of Ontario's finest golfing experiences on two championship courses.

For the past 34 years, the Canadian Computer Charity Golf Classic has raised in excess of \$6 million for Easter Seals Ontario and Princess Margaret Hospital Foundation.

About Easter Seals Ontario

Easter Seals Ontario

For the past 95 years, Easter Seals has played an important role in providing support for children and youth with physical disabilities from all ethnic and religious backgrounds. Thanks to its generous donors, Easter Seals continues to offer programs to allow kids to experience freedom, independence and a sense of accomplishment. Easter Seals helps by providing financial assistance for mobility equipment, communication devices and summer camp opportunities at its two fully accessible properties, Camp Merrywood and Camp Woodeden. Together we are helping kids BE KIDS.

Core Programs

- Financial Assistance for Equipment
- Camping and Recreation
- Educational Scholarships
- Information Resources for Families

Who We Serve

Easter Seals helps kids with a variety of disabilities and medical conditions, including cerebral palsy (CP), spina bifida, muscular dystrophy (MD), spinal muscular atrophy (SMA), Rett syndrome, and spinal cord injuries. The causes of many medical conditions resulting in physical disabilities vary. Some are hereditary; some occur during pregnancy or at birth through no fault of the mother, and some are still unknown.

Regardless of the cause, these children share a common desire for independence, acceptance and achievement. Often children with disabilities live with feelings of isolation. Many spend most of their time at home or at school, with very little social interaction with others their age. For many of these children, camp or other

recreational experiences are their only chance to establish independence, expand their personal boundaries, and explore their abilities.

UNABLE TO PARTICIPATE?

You can still make a difference!

- Donate \$2,500 and send a child to a 10-day session at one of Easter Seals fully accessible camps located in London and Perth.
- Make a monetary donation of your choice and help purchase costly mobility equipment and communication devices.
- Here are some examples of the costs incurred by Easter Seals' families in order to allow children with physical disabilities to have more mobility and live safely within their own homes.
